First two teams are responsible for set up of goals etc, last two teams responsible for pack up.

Game time starts at stated time, if your team is not ready then you will loose game time.

When a team member is unable to play a game, the substitute must be of the same skill level.

There must be at least 3 team members on the pool otherwise it is a forfeit. The team members must be listed in the team.

If a team forfeits, then the other team will be automatically be awarded a win and a goal score of 7 to 0.

If a team wins it will be awarded 3 points. If a team loses it will be awarded 0 points. If a team has a draw it will be awarded 1 point.

If a team has a draw it will be awarded 1 point.

Teams can use substitute players and the goals scored by the substitute player will contribute to the team score. Goals scored by substitute players will not be recorded against the individual persons goal tally.
